</table>
Design and Implementation of Psychological Diagnosis Expert System based on the SandTray …… 235
Se-Jin Son, Kang-Hee Lee

An Analysis on Activities Related to Anti-bias Education in Teacher’s Guidebook of Nuri Curriculum for 3-4 Years Old ……………………………………………………………………………………………… 245
Younsil Sung, Seongjoo Lee, Kyungchul Kim

Korean Elementary School Students’ Perceptions and Attitudes towards World Englishes ……… 255
Ahreum Jo, Je-Young Lee, Jeong-ryeol Kim

Employment and Vocational Education and Training Policy of German Reunification: Implications for the Unification of South and North Korea ……………………………………………………………………….. 265
So-Young Kim, Young-Min Lee

An Analysis on Confucian Values of China Normal University Students - focused on the Q Methodology - ……………………………………………………………………………………………………… 273
Sang Woon Yeo, Li Zhangpei, Li Xiaohui

A Study on the Effect of Childcare Teachers’ Emotional Bond and interchange Relationship on Personal Efficacy …………………………………………………………………………………………… 285
Dong-Hyun kim, Jae-Mo Lee

The Effects of Nursing Students’ Simulation Training on Learning Attitude, Critical Thinking, and Self-Efficacy ……………………………………………………………………………………………………… 293
Sun-jung Park, Myeong-jong Kim, Keun -Hey Kwak

An Analysis for the improvement strategies of the Education Welfare Priority Support Project …… 305
Ji-hoon Song, Yeong-mo Jeong

Delphi Research Method Basic Study on Development of Theater Program for Children ………………… 315
Ahn You Jin, Eun-Kyoung Son

Questionnaire Reliability Assessment for Correlation Analysis of School Life Satisfaction, Career Maturity and Career Decision Level of Meister High School Student …………………………… 329
Jung-Soo Lee, Young-II Jang, Jong-Won Lee, Sun-Woo Kim, Wan-Shin Park

Promoting Knowledge-based Creative Problem Solving Competencies …………………………………… 339
Eun-Joo Oh

The Development and Validation of Tuning Play Teaching Model Based on the Theory of Creativity in the Interactive Perspective ……………………………………………………………………… 349
Jin-Mi Tae

A Fun Sources and Worry Sources of Rafting Class ………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………………
Ho Yoo
A Study on the Guidance of College Student's Career through the Analysis of the Effects of Lecture and Group Counseling on Career ................................................................. 367
Young-Ran, Yoon
Implication of Research Trends of Educational Gap .................................................. 377
Min-Hee Kim
The Case Analysis of Recent Mobile Game-based English Learning and the Study of Teaching Application ........................................................................................................... 387
Jung-Ae Nam
A Study of Course Improvement with Application of Learning Portfolio in Nursing Education ... 395
Me-Ok Yoon
The Effect of Group Counseling Program on Pastoral Efficacy and Pastoral Leadership ........ 405
Mi-Na Lee, Kyung-Sook Kim
Development and Validation of Teaching Efficacy Scale ............................................. 413
Hyuk-il Kwon
A Study on Multicultural Education Policies in the U.S.: Analyzing the Comprehensive Equity Plan(CEP) of New Jersey Department of Education .............................................. 421
Pyong H. Kim

Machine based Convergent Research

Driving system of Solar Car by KNUT ........................................................................ 431
Hyun-Shik Ko, IL-Song Kim
Fuel Optimization in LNT System ............................................................................. 439
Seungwon-Park, Doo-Sung-Baik
A Study on Tensile Property due to Stacking Structure by Fiber Design of CT Specimen Composed of CFRP .......................................................................................... 447
Gue-Wan Hwang, Jae-Ung Cho

Healthcare based Convergent Research

A Study of the Knowledge, Awareness and Performance of the Infection Control among Nurses in Long-term Care Hospital ............................................................................. 457
Kim Hyunhee, Kim Namhee
The Effect of Tae-myeong on Intelligence and Health .......................................................... 473

Ssngchun Shin, Changgun Jung, Heejung Do
A study on the smoking characteristics and oral health of the college students in Some Area ...... 485

Hyunsuk Park, Hyosin Choi, Yunhui Lee
Effect of Physical Self-Conception on Psychological Happiness in Nursing College Students ...... 495

Kyung Sook Kim
A Study on Speech Discrimination Using LPC Spectrum ....................................................... 507

Uk-Jin Song, Sang-Hwi Jee, Myung-Jin Bae
Implementation on ADHD Diagnostic Expert System based on DSM Diagnostic Criteria .......... 515

Ju-Bee Hwang, Kang-Hee Lee
Factors Influencing Intensive Care Unit Length of Stay of Patients with Critical Illness .......... 525

Youn-Jung Son, Hyo-Suk Song, Mi Hwa Won, Sun Hee Yang
Transfer Status Analysis of Referral Center in a Tertiary Hospital ........................................ 537

Li-La Han, Sun-Mi Choi, Hyo-Jung Kim, Seo-Yeon Kim, Hee-Jin Kim, Kyung-Ja Kang
Solutions for Low Birth Rate Problems between Japan and Singapore with Implications for South Korea ........................................................................................................................................... 553

MyungHee Kim
Attachment and interpersonal relationship of nursing college students Ability impact .......... 563

Jung-Sun Kim, Sun-jung Park
A Comparative Study among Appearance Utility, Body Satisfaction and Body Management Intension by Gender and Appearance Attitude ........................................................................................................... 573

Yun Kim
Effects of Food Art Therapy on Improvement of Problem Behavior in Children with Attention Deficit and Hyperactivity ............................................................................................................. 585

Myunghwa Young, Youngjin Lim
The Effect of Āyurveda Program on the Post-Traumatic Stress Disorder and Self-Esteem of Foreign Married Immigrated Females ............................................................................................................. 595

Mee-Sook Cheong, Hae-Yun Jang
Clinical Trial Study on the Daily Life Treatment of Rhinitis Patients in Urban Area ............ 605

Seong-Ran Lee
Factors Influencing Turnover Intention of Clinical nurse ...................................................... 613
Mun-Hee Nam
Narrative inquiry of mothers of young children with disabilities about Transition: Narrative of young children with disabilities ................................................................. 629

Kang Yu Jin
The Influence of the preparation for old aged of the past on the depression of the elderly: Focused on the mediating effects of the social support and the ego-integrity ................................. 639

Il-Young, Jeong
Predictors of Drinking Problems among Healthcare Related College Students ............................................. 659

Hwan Hui Sim, Kyoung Mi Kim
Effects of adult the Oral Health Behavior on the Control of dental plaque .................................................... 671

Hye-Young Park, Hye-Jin Kim
Experiences on welfare leisure living of old age women .................................................................................. 681

Jeong-Soo Kim

**Welfare based Convergent Research**

A Study on Improved Ways of Career Support for Multicultural Youth ...................................................... 689

Hye-Young Jo

Analysis of Factors Affecting University Students' School Life Satisfaction ................................................. 701

Yeo-joo Jung, Jeong-Suk Kwon

Acculturative Stress of Marriage Migrant Employed Women: Focused on the Difference between Urban and Rural Area .......................................................................................... 709

Hyun Ju Lee, Yeong Hun Yeo

The Effects of Information Literacy of Social Service Users’ on Service Quality and Satisfaction: Based on Elderly Home Care Services ............................................................... 717

Han-Ra Cho, Yeong Hun Yeo

A Study on the Liaison between Mutual-aid Program for Youth Employment Policy ...................................... 727

Dong-Yul Jung, Cheol-Woo Park, Young-Min Lee, Tae-ho Kim

**Culture Content based Convergent Research**

An Analysis on the Cultural Activity of Science and Technology in Authoritarian Government Period
- Focusing on Public and Private Sector ........................................................................................................ 735
Yongkil Lee, Kyunghee Kang

The Effects of Religious Activities on the Participation and Life Satisfaction in the Elderly ................................. 747

Hee-Soon Woo, Yoo-Im Choi

A topographical study of positive energy’s affectedness on the identity of ‘House Shape’ and ‘House Destiny’ ............................................................................................................................................. 757

Yeon-Su Park

A Study on Promotion of Local Tourism through Linkage of Popular Song Monuments Contents - Centered on Southern Region - ........................................................................................................................................ 767

Chong-Ki Jung

On a Possibility as a Case Study of Tourism in a Fiction The Beach .......................................................... 777

Lee, Gilja

Examine the Relationships Between Portal Article of Naver and Real Time Search Word Using Web Crawling ............................................................................................................................................. 787

Seung Joo Choi, Jong-Bae Kim

A Study of Pop Music of Cultural Hybridity -Focusing on the cultural fusion of the Americas- ......................................................... 795

Chang Ku Lee

Safety and Security based Convergent Research

A Study on the Management of Empty House Oriented on Farm and Rural Returning ......................... 803

Jae-Hwan Kim, Minseok Baik

Information Technology based Convergent Research

Deduction of Image Attributes of City Marketing for Busan by Using Fuzzy Decision Making Analysis .................................................................................................................................................. 813

Joo Hwan Lee, Joo Suk Lee, Soo Ho Lee

A study on the preference of Urban Regeneration Factor through collective memory -Focused on the City of Jecheon- ........................................................................................................................................ 823

Ho-Jung Son, Yong-Hae Jung

A Efficient Logging and Recovery using T-tree Index for Mobile Transaction .................................................. 837

Hui-Jeong Ju, Sung-Je Cho

A study on the periodicity of mica sound using sound color markers .............................................................................. 845
Evaluating Mobile Apps with Usability Testing Approach ............................................................... 857
Jung-Gil Cho
Analysis about the Recognition of the Influencing Factors on the Over-dependence of Artificial
Intelligence Technology: Based on Focus Group Interviews .......................................................... 867
Eun-Hwa Lee, Young-Sam Koh
A design of the ALU for Convolution Neural Network of operation processing .............................. 879
Kihun Nam
The Characteristic Function of a CoreNet and Proof by Mathematical Induction .......................... 887
Jong Joon Park
A Development of Augmented Reality Simulation Game Using Hololens ..................................... 897
Beomjun Son, Eunjung Lee, Hongkyu Jung, Hyuna Lee, Changhoon Park

Architecture and Civil Engineering based Convergent Research

A study on the effectiveness of "Stone-Wall" and "Soil-Nailed natural surface" Methods for retaining
wall structure ........................................................................................................................................ 905
Sun-Wong Min, Jong-II Lee
A Study on the Characteristics of Plan layout and Community in Shared Housing ...................... 915
Lee-Yong Sung, Nae-R, Kim
A Study on Structural Safety of CFRP Plate with Notch Hole at Center Part under Torsion ....... 925
Jae-Won Kim, Jae-Ung Cho
A Study on Improvement of Satellite Surveying Infrastructure through Analysis of Operation Status of
GNSS CORS ........................................................................................................................................... 933
Joon Kyu Park, Dae Yong Um
