Table of Contents

Business based Convergent Research

A Study on the Intellectual property rights for the protection of financial instruments ........................................... 1
Hyun-Woo You

Chun Yan Wei, Hyeong Yu Jang, Mi Jin Noh

Strengthening the functions of Employment Zone for Expanding the Jobs of Future Youth ......................... 21
Young-Min Lee, Jung-Yeon Lim

An Analysis on Operational Conditions of Non-Profit Organizations for the North Korean Defector 31
Hee Choi, Youngsoon Kim

A Study on the Influential Factors of Return Rates of REITs in South Korea ................................................... 43
Sang-seog Kim, Jaehwan-Kim, Min-seok Baek, Jae-hun Hwang

Culture Content based Convergent Research

A Study on the Future-Oriented Servant Leadership view from a Christian Ethics ........................................... 55
Rack-In Choi

A Study on FIFA Online3 Characters’ Behavior and Transaction Method based on Transactional Analysis ...................................................... 65
Mi-Sun Kim, Il-Ju Ko

The restored Mothers Image through recollections and memories of family - Based on the Moms life in Please Look After Mom .................................................................................................................. 77
Yonsuk Chae, Mija Kwon

Linguistic and Literary Approaches on 'Love' Sijo .......................................................................................................... 87
YoungHui Jin, SoYeon Chung

‘Grotesque’ body shape and its meaning of Chae-Ho, Sin’s novels ................................................................. 103
Korea-Japan Academic Cooperation Disputing the Chinese History Expansionism ............................................. 111
Chang-hee Nam, Okjin Song

A Study on the Causes and Solutions of “Kanke” Phenomena in Chinese Society ............................................. 121
Tae-Jun Lee

A Development of Fusion Rhythm Contents for K-POP Music ................................................................. 135
Chang Ku Lee, Seungyon-seny Lee

A study on the comparative analysis of voices of singing between singer Bae-Ho and mimic singer ................................................................. 143
Sang-Bum Park, Seong-Geon Bae, Myung-Jin Bae

Study on factors of Life Satisfaction for the Elderly women who Reside in the Rural Area -With focus on elderly women living in “K”- ................................................................. 163
Jeong-Hwa Jeong, Jae-Mo Lee

A Study of Dual Advertising Placement Effects of TV CF and Product Placement(PPL) .................. 173
Sung Hwa Kim, Hyogyoo Kim

An Analysis on Reliability Parameter Extraction Using Formant of Voice over Telephone ............... 183
Jong-woo Park, Hyung Woo Park, Sangmin Lee

In-Suk Jung

Information Technology based Convergent Research

A Two Way Systems and Algorithms for Targeted Online Data Delivery ............................................. 203
Hye-jin Kim

A Comparative Analysis of the Smart Vehicle Input Methods among 4 Countries: Focusing on Korea, China, U.S.A. and Europe ................................................................. 211
Hoon Sik Yoo, Da Young Ju

The relationship between the Parental monitoring levels and Infant’s feeling of efficacy and Literacy of the Informational Communication Technology ................................................................. 221
Hye-Kyong, Shin
Method for Evaluating the CoP Based on Extracting the GPI ........................................ 231

Jong-yi Hong
The Model of Expanding Open Government Data for Boosting of e-Government Service .......... 241

Jae Kul Lee, Jae Hong Kim, Jong Bae Kim, Gwang Yong Gim
A Study on Factor affecting on Intent to Use for Cloud Office ........................................ 253

Jin Young Park, Yoon Seong Jeong, Jong Bae Kim
Development of a Fault-tolerant IoT System Based on the EVENODD Method .................. 263

Min-Woo Woo, KeeHyun Park, Donghyeok An
Pressure Sensor-based User Authentication Method for Smart Devices .............................. 273

Youngju Cho, Dongmin Choi
Multi-level Song Recommendation System based on SNS Posts and Sentiment Analysis .......... 283

Jin-Hyun Kim, Jeoung-Hyeun Kim, Seong-Wook Jeong, Sin-Jae Kang
Multi-layer Structure Based QCA Half Adder Design Using XOR Gate .............................. 291

Ji-hyun Nam, Jun-Cheol Jeon
Design of XOR Gate Based on QCA Universal Gate Using Rotated Cell ............................ 301

Jin-Seong Lee, Jun-Cheol Jeon
Study for Map-Reduce performance improvement by using Cache in Differential Privacy Environment .................................................................................................................................................................................. 311

Kwang Soo Yeo, Chul Jung Kim, Jae Hyun Lee, Soon Seok Kim
Artificial Intelligence and Product Liability ............................................................................. 321

Han-Young Lie, Seong-Min Cha
Parameter search methodology of support vector machines for improving performance .......... 329

Sung-Bo Lee, Jae-young Kim, Cheol-Hong Kim, Jong-Myon Kim
Optimal Design Space Exploration of Multi-core Architecture for Real-time Lane Detection Algorithm .................................................................................................................................................................................. 339

Inkyu Jeong, Jongmyon Kim
Improvement of the efficiency of utilization with Security serviceprogram common agent .......... 351

Jae-Hong Kim, Taek-Shin Kang, JaeKul Lee, Kwang-Je Kim, Yongtae Shin
A Study of Aggressive Driver Detection Combining Machine Learning Model and Questionnaire Approaches .................................................................................................................................................................................. 361

Kwi Woo Park, Chansik Park
A Study on the Abstraction of Movements Based on Laban’s Space Theory “Choreutics” .......... 371
   Hyeran Kim, Sang Wook Lee

A Study on Face Contour Line Extraction using Adaptive Skin Color ............................. 383
   Young-Jung Yu, Seong-Ho Park, Sang-Ho Moon, Yeon-Jun Choi

Prevention of Voice Phishing through Speech Analysis ......................................................... 393
   Hyung Woo Park, Myung-Jin Bae

A Study on the Risk Perception differences by Age on Augmented Reality Game .................. 401
   Jieun Choi, Juyeong Kang, Hwansoo Lee

Architectural and Civil Engineering based Convergent Research

Equivalent Stress Distribution of a Stepped Bar with Hole under Torsional Loading .............. 411
   Eun Hye Kang, Young Chul Kim, Myung Soo Kim, Tae Hyun Baek

A Framework for Multi-sensory Geo-spatial Information Acquisition .................................. 421
   WonJin Kim, ChangJae Kim, DongKi Chung, JoonKyu Park

A Study on the Cantilever Space though the Dom-Ino system of Le Corbusier ......................... 431
   Jae - Hee Cho

A study on legal and institutional utilization of U-City based on ubiquitous environment ........ 439
   Jae-Hoon You, Cheong Youn

Characteristics of Physics in Construction Project Management ............................................. 451
   Jong-Kook Lee, Un-Kyo Lee, Bo-Ra Kim

Healthcare based Convergent Research

The effect of oral care with 0.12% chlorhexidine for VAP and oral health in critically ill patients
   ......................................................................................................................................... 461
   Misuk Ko, Jinhee Kim, Eunhee Choi

Exploration on the Range of an Urban Community to Form Healing Environment .................. 477
   Hoon Park, Hae-Kyung Lee

Research of intervention effects for chronic stroke patient's functional movements. ................ 497
   Min-Hyeong Ham, Hyun Joo Kim

Image-based Measuring Heart Rate of Swimmer using Palm .................................................. 501
   Kun Ha Suh, Jiyeon Moon, Eui Chul Lee
The Effects of Nail Art Procedures on Relaxation of Depression and Stress .......................... Namhee Lee, Jungwon Kim

The Efficacy of Group Exercise Program on Improvement of Respiratory Function and Balance Ability in Local Community Patients with Chronic Stroke ............................... Gi-Do Kim

Effects on Nursing Students’ Metacognition, Clinical Competence, and Learning Achievement Following Simulation based Learning using a Post-operation Rehabilitation Case ........................... Hye-Kyung Oh

A review of attachment of institutionalized children. .......................................................... Youngmoung Ha, Sohee Jeong

Oral care status change and satisfaction investigation after prosthesis placement ................ Min-kyung Lee, Ji-Na Song, Hyun-Ji Kong, Yon-Jin Kim, Ji-Hye Kim, Seul-Ki Joung, Hye-Jin Kim

Lifetime smoking and chronic diseases illness ................................................................... Young-Ju Jee, Kyoung-Nam Kim

Implication and Comparative Analysis of the Compulsory Education System ........................ Min-Hee Kim

Prediction of Potential Risk Factors of Recurrent Gastric Cancer in Local Area ................ Seong-Ran Lee

The Effect of Choice and Service Quality on User Satisfaction among Long-Term Home Care Service Recipients ................................................................. Han-Ra Cho, Yeong Hun Yeo

The Effect of preferred Music Listening on Anxiety and Vital signs among Pre-opeative Patients ................................. Soon-Jung Hwang, Juna Byun

Anxiety, Depression, Quality of Life in Glaucoma Patients .............................................. Hyun-Ryung Yoon, Jeong-Su Park, Hyun-Seo Yoon, Yun-Young Hwang, Jin-Ho Chun

Satisfaction on Perception and Improvement Measure About Aging Anxiety of Middle-aged Women
............................................................................................................................................. Moon-Sin Jung, Hye-Jin Kwon

Factors Affecting the Quality of Life of Asthmatic Patients; Based on the 2015 Community Health Survey ................................................................. Young-Hae Kim, Young-Ju Jee
Welfare based Convergent Research

Responses of Korea to Climate Change and the Public Reaction: Focusing on Opinions about the ‘Carbon Tax Bill’ ................................................................. 649
Im-Soo Choi

Education based Convergent Research

An Analysis of Kindergarten and Elementary School Curriculum Based on Curriculum Articulation in the United States .................................................. 657
Kyungchul Kim, Youngsil Sung

The differences in Korean vocabulary and word fluency between young children with full-time and part-time English education experience ........................................... 667
Hyoung-Jai Kim, So-Yun Park, Jeong-Hoon Hwang

The Analysis of Lifelong Education Trends in Local Government ........................................ 683
Kwang-Soo Jeon, Hyoung-Jai Kim, Jeong-Hoon Hwang

Analysis of Educational Creativity and Morality Elements in ‘Architectural Planning’ Textbook Used by Specialized High Schools: Focusing on Academic Activities ........................................... 693
Ho-Young Yun, Young-Il Jang, Sun-Woo Kim, Wan-Shin Park

Relationship Analysis among Abstract Thinking Levels, Analytic, Insight, and Dialectic Thinking Abilities ................................................................. 705
Chan Jung Park, Jung Suk Hyun

A Comparative study on the On-Off-Line Children's Libraries of Korea and China .................... 721
Hana Lee, Lin Wang

The story about hardship of freshmen: based on their adjustment to college life ......................... 731
Bo-Ra Jeon, So-Jung Yune

The Structural Relationships of Factors Affecting Self-Directed Learning of Innovation School Learner ................................................................. 743
Jin-young Lee, Seung-Hee Kang, So-jung Yune

The Influence of Moral Sensitivity of Emergency Medical Technology Students on Biomedical Ethics ................................................................. 757
Kim, Soon Hee, Lee, Meehwa

A Comparative Analysis of Grammar types - focusing on the 2nd Grade Middle School English
