## Table of Contents

### Architecture and Civil Engineering based Convergent Research

A Study on the Effect of GTX Construction on the Real Estate Prices .................................................. 1
Seungyoung, Jeong, Inho, Choi, Aedong, Kim

Proposal of the Orienting Construction Management Model in Multi-Mega Construction Project -
Focused on PyeongChang Winter Olympic Venue Project - ................................................................. 11
Jong-Kook Lee, Hyo-Eun Kim, Su-Eun Lee, Yong-Soo Yu

A Study on the Effect of the Fire Safety of Office Building on the Building Asset Value .................. 23
Dong-Oh Lim, Joo-Hyun Cho, Sangsu Keum

### Business based Convergent Research

The Impacts of Political Incentives and Societal Values on Entrepreneurial Decision Making ........ 33
Sukkyun Chung, Chang Wan Ryoo, Hyung Rok Yim

Tourism Strategy and Cultural Policy Research through Development of Local Tourism Resources -
Focus on Pohang city - .......................................................................................................................... 43
Rack-In Choi

The Structural Relationship among Career Plateau, Job Stress, Organizational Commitment, Turnover Intention and Organizational Support: Focusing on Employee in Multinational Corporations ........... 53
Chang-Wook Jeon, Dae-Yong Lee, Sun-Geun Kim

Economic Growth and Unemployment in Korea Implemented by Okun’s Law: An Application of Differenced and Modified Models ......................................................................................... 63
Hyun-Jae Rhee
Product Life Cycle and Competitive Strategies ................................................................. 75
Hyung Rok Yim, Seong-jin Choi

The influence of brand name in compromise effect .............................................................. 85
Jun-Sik Kwak

Machine based Convergent Research

Experimental Study on Shrinkage Behavior of Geopolymer Mortar ........................................ 93
Hyo-Jung Kim, Hyung-Seok Heo

A Study on the Detection of Defective Products Using Sound Characteristics of Canned Goods · · 101
Bong-Young Kim, Myung-Jin Bae

A Study on Engine Sound Characteristics by Vehicle Exhaust .............................................. 109
Sang-Hwi Jee, Hyung-Woo Park, Myung-Jin Bae

A Study on Optimum Thermal Environmental Conditions of Changing Room in Intermediate Season ..................................................................................................................................... 119
Seong-Hoon Yoon

Culture Content based Convergent Research

The Use of English Articles by Non-Native Speaker of English ............................................... 127
Hye-jin Cho

A Study on Strategies for Popularization of Local Tourism using Korean Popular Song and Song Monument Contents - Centered in Southeastern Region - ......................................................... 141
Chong-Ki Jung

A Study on Motive Development through Melody borrowing of the Original Song ...................... 151
Ji-Min Hong, Seungyon-Seny Lee

A comparative study of Christian Counseling among Jung's 'Self', Nagarjuna's 'Sunyata' and Tillich's 'God' ........................................................................................................................................ 161
Kim, Sunghwan

Surviving but Unsuccessful Self-Image–John Fowles’s “The Ebony Tower” ................................ 175
Baek, Hye-jin
An Analysis on Administrative System for Science and Technology of Kim Dae-joong People’s Government ................................................................. 185
Yongkil Lee, Kyunghee Kang

A Study on the Spread and Development of English Language - Focused on the Outer · Expanding Circle Countries in Asian context - ................................................................. 195
Bok-Myung Chang

On typical definitions of hate and criteria of its criminal liability ................................................. 207
Jungnyum Lee

A Interpretation on Analytical Psychology of the Korean Fairy Tale “ A Dream of a Boy Servant and the Mysterious Golden Ruler” ................................................................. 217
Kyung-Hee Kim

A Study on the Current State of Politics, Economy and Trade in India ............................................. 227
Jon-Mo Yoon

Issues in the Video Content Production and Theory due to the Appearance of Realistic Media ...... 237
Ho-Bin Ko

Welfare based Convergent Research

The Effect of Leader's Goal Orientation on the Goal Orientation of Organizational Members: The Moderating Effect of Leader and member's Self-Efficacy ................................................................. 251
Xiu Jin, Fusheng Zheng, Sang-Woo Hahm

A Study about Effectiveness of Perceived Organization Support and Perceived Justice on Expectancy for the Future of Transportation Workers ................................................................. 261
Sung-Han Kim, SangWoo Hahm

Analysis of Suicide Research on Multicultural Youth in Korea ........................................................ 269
Youngsub Oh

The Influence of the Positive and Negative Experiences of the Convergent Researchers on the Retry Intention, Satisfaction, Continuing Intention, and Recommendation Intention of Convergent Research 279
Eun-jeong Kim, Seung-yon Lee, Ji-Yeon Song
The effect of resilience on positive mental health of the immigrant youths: focus on moderating effects of stress of cultural adaptation ................................................................. 293

Goo-Taek Kwon

Safety and Security based Convergent Research

Implementation of Security Information and Event Management for Realtime Anomaly Detection and Visualization ................................................................. 303

Nam Gyun Kim, Sang Seon Park

Development of Farm Security: Using sensors and Drones to prevent crop damage from wildlife ................................................................. 315

Symphorien Karl Yoki Donzia, Haeng-Kon Kim

History based Convergent Research

The Wartime Mobilization and Dietary Life Improvement Campaign of Japanese Settlers in the Japanese Colonial Period: Focus on the Green Flag League Women’s Association .................. 331

Kyoung-Hee Park, Kyung Mi Bae

Information Technology based Convergent Research

A Study of Hybrid Saxophone Interface for Interactive Networking System ........................................ 341

Euy Shick Hong, Jun Kim

A Study on Application Effectiveness of Proto Persona through the case of mobile music service ........................................................................................................ 353

Hwa-Young LEE, Jong-Hoon Choe

The Comparative Research of Camera Brand Identity through Website Color ........................................ 361

Ha-Rang Kim, Jong-Hoon Choe

Gamification Analysis method proposal of Screen Sports ................................................................. 369

Youngik Kil, Ilju Ko, Kyoungsu Oh, Green Bang
