# Table of Contents

## Education based Convergent Research

1. A Study on the Awareness of Beauty related National Technical Qualifications in Korea -For certificate holders and preparatory students- .......................................................... 1  
   Seung-Ja Kam, Jung-Won Kim

2. The Level of use about Maker education in Middle school Technology education teachers’ by Concerns-Based Adoption Model .......................................................... 15  
   Sang-Hyun Kang, Jinsoo Kim

3. A Study on the Harmony Generation in Music Using Artificial Intelligence .................. 25  
   YoungGun Kang

4. The Necessity and Direction of Korean for Instrumental Academic Purpose: Focused on Liberal arts in Universities .......................................................... 37  
   Joo-Hwan Go

5. Meaning of Women's Education in the Modern Age-Focusing on Chungchungnam Province ............................................................................................................. 47  
   Jung-Suk Kwon

6. Instruction Reconstruction by Applying Cognitive Flexibility Theory ....................... 57  
   Hyuk-il Kwon

7. A Study on the Social Activity and Lifelong Education of the Korean Church -Focusing on the Church in Honam Area- .......................................................... 67  
   Dong-Il Kim

8. A Study on Development of Unit for Mathematics in Literacy Curriculum in Connection with the 2015 Revised Curriculum .......................................................... 81  
   Sahoon H. Kim
9 Structural influencing relation family and school culture of highly human rights on human rights consciousness by its education ......................................................... 91
  Young-ki, Kim

10 (A) study on the difficulty for the male pre-service kindergarten teacher(s) ...... 103
  Yeong-il Kim

11 Differences in Affective and Behavioral Characteristics by University Students’ Academic Achievement Level ................................................................. 113
  Ockboon Kim, Hyejin Kim

12 Development and verification of glocal competency measuring tools .............. 121
  Young ae Kwon, Hyo sook Lee

13 Gender Differences in University Students’ Perceptions on Competency-Based Performance Assessment ................................................................. 131
  Hyejin Kim

14 A Study on the Academic Stress, Mental Health Status, Academic Failure Tolerance and Communicative Competence of University Students .................. 141
  Hyo-Shin Kim, Min-Young Kim, Mi-Young Moon

15 Navy Leadership Competence Education Using Moral Dilemma .................... 153
  Gyun-Yeol Park, Yeojin Lim, Byongsam Jung, Eun-Sook Seo

16 An Convergence Class Model of Personality Education and Augmented Reality .... 163
  Yong-Il Park

17 The purpose of this study is to Early Childhood Teacher of Social Support, Job Performance Efficacy, and Subjective Well-Being ........................................ 173
  Yuyeong Park, Yujin Jung

18 A Program Plan on the Ballet Movement for the Development of the Children’s Creativity .......................................................................................... 185
  Hyang-Eun Baek

19 A Study on the Chinese Affixes of Korean Textbook in China: Focusing on Afformative and Negative Meaning ............................................................. 195
  Wola Seo
20 An analysis of research published in Korean Journal with the theme of ‘education & AI’, using semantic network analysis ................................................................. 209
   Heejeong Seo, Suna Kyun

21 Narrative Analysis of Young Children’s Creating a Story through Picture Books ...... 219
   Seojeong Song, Hyekyung Park

22 The Mediation Effect of Mindset in the Relationship between Concentration and Self-directed Learning of Elementary School Students ............................................. 233
   Myeong-Yong Shin

23 The Influence of Experiencing Integrative Literary Therapy upon Resilience Immanent - A focus on Middle-aged Women ................................................................. 243
   Ji hyun Shim, Yonsuk Chae

24 Analysis of Learning Outcomes of Teacher Preparation programs with PBL (Problem Based Learning) Model ................................................................. 253
   Youngran, Yoon

25 The possibility and significance of Ecology Humanities as Permanent Education – By the case perspective of Ecology Humanities for Retirees ............................................. 263
   Myoung-hee, Yi

26 Implementation of Digital Logic Circuits Using Arduino: Focusing on the Adder ... 273
   Eunsang Lee

27 A Study on Non-finite Subordinate Clauses ............................................................. 287
   In-Cheol Lee, Mun-Koo Kang

28 A Pedagogical Search for American Studies Curriculum through Literature Education ................................................................. 295
   Jin-Hee Yim

29 Effect of the Music Therapy and Exercise Program for Home-Dwelling Elders ....... 305
   Hee-jung Jang, Moon-hee Mo

30 The Correlation between Early Childhood Teacher of Grit, Emotional Burnout, and Job Performance Efficacy ................................................................. 313
   Yujin Jung, Yuyeong Park
31 A Study on the Trends and the Japanese Cases on the School Complex Facilities in Response to the Decreasing Number of Students and School Environment’s Changes ..... 323
    Jinju Jung
32 Flipped Learning Instruction Design Guide Development For the University Professor ........................................................................................................................................... 335
    YoungJae Cho
33 A Study on attitudes and faith according to experience of taking classes related physical education of the elderly .................................................................................................................. 351
    Young Hee Cho, Nam Hee Kim
34 A Study for Service-Learning Operating Model Development and Revitalization Plan in University ......................................................................................................................................... 363
    Yong-Gae Cho, Hye-Kyung Kim
35 A Study on the Differences According to Parent-Child Communication and General Characteristics of Family Therapy Psychological Counselor ......................................................................................... 373
    Heakyong Cho, Sung-je Cho
36 A Study on the Korean Students' Experience in Club Activities in China ............... 383
    Long Zhu, HaiYing Huang
37 A Case Study on Practical Personality Education for College Students .................. 395
    Eun-ju Choi
38 The Effects of Joint Childhood on Parental Identity ................................................. 407
    Chulkyu Choi, Mun-Koo Kang
39 Frequency Analysis of Core Concepts of High School Informatics Subject Textbooks Using Text Mining ........................................................................................................................................... 419
    Hyun-Jong Choe
40 Development of Empathic Talking Improvement Program .................................... 431
    Soon-Hyang Hur, Hang-Joong Kim
41 The Effects of Neglected Parenting on Developmental Trajectories of Adolescents' the school rules compliance: Focusing on the Mediating of Social Contraction and Mobile Phone Dependence ........................................................................................................................................... 441
    Young-Ju Hur
42 Regulatory Focus and Planned Happenstance Skill as Antecedents of Career Exploration Behavior in High School Students ................................................................. 453
   Dae-Sung Hong, Ji-hye Moon
43 The Direction of Private Academy Education for the Popularization of Dance .............. 463
   Hae-Sun Hwang

**Culture Content based Convergent Research**

44 A Study on the Application of Information Design to Korean Cultural Heritage Education ........................................................................................................... 475
   Keeung Barng
45 A study on the service experience prototype using Virtual Reality(VR) .................. 491
   Hyeyoung Yoo
46 A Study on the Development of the "Guunmong" Story’s Digital Image-Contents by Collective Intelligence ................................................................. 501
   Jung-Gon Lee, Dae-Yul Jeong
47 Classification of Job Satisfaction Types and Validation of Influential Factors of Film Crews using Latent Profile Analysis ......................................................... 513
   Hee-Jin Lee, Won-June Lee
48 Change of Movie Stars’ Image Representation in Newspapers: Focusing on the Concept of Simulation .................................................................................... 531
   Bora Tae

**Healthcare based Convergent Research**

49 A Study on Affecting Factors to Organizational Commitment of Nurses ............................. 543
   Nam Hee Kim
50 The Effect of Disaster Care Program on Disaster Perception, Attitude and Disaster Nursing Capacity of Nursing Students .................................................. 553
   Nam Hee Kim
51 Mediating Effects of Job Stress and Social Support on the Factors Affecting Psychological Burnout of Ego-Resilience of Physical Therapists ................................. 563
   Seung-Jae Geem, Ho-Chan Seo
52 The Effect of Intolerance of Uncertainty on Depression among University Students: The Mediating Effects of Interpretation Bias
Eun Kyung Kim, Yong Chon Park

53 The Effects of Empathy and Critical Thinking on Biomedical Ethics Awareness in Nursing Students
Eun-Young Kim

54 A Study on the Three Medical Meanings and Popular Metaphors for 'Designer Baby'
Hoon-Gi Kim

55 Nursing Service Design based on Customer Experience of Radiology in General Hospital
Kyung-A Park, Kyung-Hee Chung

56 A Study on the Effectiveness of Dementia Education Program for Volunteer Workers
Young-Sun Park, Kyung-Boxk Joo, Young-Ju Jee

57 The Effects of Community Activities of Nursing Students on Interpersonal Skills, Self-Efficacy and Self-Leadership
Hyun-Jung Park

58 Satisfaction and Content Validity of Learner's Satisfaction Using Problem - Based Learning (PBL): Focusing on Dental Hygiene Department and Clinical Dental Hygiene Department
Soo-Myoung Bae, Kyung-Min Kim, Hye-Jin Kim

59 Factors affecting gender equality consciousness of nursing college female students
Eun Kyung Byun

60 Effects of Problem-Based Learning Program on Nursing Students
Eun Kyung Byun, Mi Young Kim

61 Effect University Students' experience with sanitary products except for disposable sanitary pads
Ye-Ji Seo, Da-Eun Kim, Jeen-A Mok, Min-Young Park, Hyun-Ji Baek, Ga-Hee Sung, Ye-In Lee, Eun-Ha Jung, Hyeon-cheol Jeong
62 Association between Diabetes mellitus and drinking behaviors among Koreans Adults using data from the 7th(2017) Korean National Health and Nutrition Examination Survey

Haesun Yun

63 Change of Mental Health according to Exercise Class in Elderly Women

Sunmi Lee, Soojeong kim, Joungwan Back, Kyungueui Bae

64 Factors Related to Health Behavior to Prevent Complications in Patients with Bronchiectasis of Middle Age or Older

Seong-Ran Lee

65 The effects of movie-based dementia education –Focusing on Knowledge and Attitude of Nursing Students toward Dementia–

Jihye Lee

66 Relationship among Knowledge toward Elderly, Awareness of Elder Abuse and Job Satisfaction by Caregivers in Geriatric Hospitals

So-Hee Lim, Hyo-Suk Song

67 A Study on the Effect of Small and Medium-Sized Hospital Nurses’ Nursing Professionalism and Biomedical Ethics on Their Confidence in Ethical Decision-Making

Mi-Ok Jang, Kyung-Hee Chung

68 Content Validity of Pilot Questionnaire : Compassion Fatigue of Dementia Caregivers

Soyoung Jeon, Juyoung Ha

69 The Effects of Water Intake Timing of Acute Aerobic Exercise in High Temperature on Inflammatory Cytokine

Jung-Yeon Cho, Woong-Jae Choi

70 The effect of self-leadership and self-esteem of nursing students on problem solving ability

Kwuy-Im Jung, Eun Seon An

71 Effecting Factors Nurse Image of Nursing Students’

SeungHee Han

72 Effecting Factors Job Satisfaction of nurses

SeungHee Han
73 The Effect of Gratitude Diary Actives on Ego-Resilience among Early Adult College Students ................................................................. 809
Soon-jung Hwang, Eun-hee Lee, Ju-yeoun Kim, Juna Byun

Welfare based Convergent Research

74 The effects of optimism intervention on optimism, meaning in life, and general health for women ................................................................. 821
Kyoungmi Kim

75 A Study on Depression and Life Satisfaction in Patients with Dementia ............ 831
Kyung-Ho Kim, Young-Chun Kim

76 The Effect of the Using a Smartphone by the Elderly on Life Satisfaction .......... 841
Sung-Su, Kim, Hyeong-Im, Choi

77 Relationship between internalized shame, perfectionism, and social anxiety perceived by adults ................................................................. 853
Se-Wha, Kim, Oh-Hyun, Oh

78 Development of Audit Program for Low-Income Children to Promote Peer Relationships ................................................................. 863
Eun Suk Kim, Mi-Na, Lee

79 A Study on the Preparations for aging action of Middle-Ages ...................... 879
Eun-Sim Kim, Young-Chun Kim

80 Relations between Disability Support after Deinstitution and Deinstitution-Independent Living Persons with Disabilities ........................................ 893
Jung-Hyun Kim

81 The Meaning of Marriage in the Relationship between Satisfaction, Depression and Hope of Korean Women ............................................. 903
Hyeyoung Kim, Sook-Jeong Lee, Soyeon Park

82 Determining Factors of Parentification among the Multicultural Families’ Children ..... 913
Sun Ju Park, Yeong Hun Yeo

83 Adolescent Parent Role Encouragement Program Basic Study ..................... 923
Jeong-in Park, Oh-hyoen Oh, Mi-na Lee
84 The Effects of Positive Psychological Capital on Happiness of Employees of the Social Welfare Institution: The Dual Mediating Effects of Leisure Activity and Job Satisfaction ................................................................. 937
   Ji-Min Bae, Yong-Kwon Park
85 A study on the ego resiliency of pre-psychological counselors ....................................... 951
   Kyeng-my, Song, Sung-je Cho
86 Development Process and Policy Tasks of Homeless Assistance Service in Seoul ....... 963
   Won Woo Shin
87 A Study on the Influence of Participants' Persistence on the Quality of Life - Social Capital Mediation Effect - ................................................................. 973
   Hee Ok Shim, Ji Seung Nam
88 Structural Relationship a Between Leisure Flow, Psychological Happiness, and Re-attendance intention for Leisure Marine Sports Participants ........................................... 983
   Byoung-Wook, Ahn, Young-Kyu, Cheng
89 A Study on Influential Factors of Family Conflict in Low Income Households ...... 993
   Miok Oh, Jinhyang Lee
90 The Influence of Empowerment on the Job Satisfaction of Elderly Nursing Home Employees ........................................................................................................... 1005
   Young Min Oh, Daekyum Rho
91 Development of Evaluation Index and Multi-layer Evaluation System for Quality Management of Elderly Long-term Care Institution .............................................. 1015
   Sang-Jin Lee, Yun-Jeong Kim
92 The Dual Mediation Effect of Self-Efficacy and Disability Acceptance in Discrimination Experience and Life Satisfaction of the Elderly Disabled ........................................... 1027
   Young Ran Lee, Yun-Jeong Kim
93 The Effect of Perceived Stress on Suicidal Ideation in College Students: Moderating Effect of Family Communication ................................................................. 1039
   Jang, Yong Eun, Kim, Mi Ae
94 A Study on the Relationship between the Effect of Job Satisfaction and Self-Sufficiency Effect of Self-Support Enterprise Participants ......................................................... 1049
   Jang, Yong Eun, Jeong, Eun Ju
The Relationships among University Students’ Job-seeking Stress, Membership of Young Adult Group, General Self-efficacy and Attitude toward the Elderly: An Exploratory Study

Seongjin Jeon, Jungsuk Kang

Effects of Happiness and Empathy on Hope and Life Satisfaction

Jung-Hee Choi, Hwang-Joong Kim, Seung-Kyu Nam

Safety and Security based Convergent Research

Sexual Violence in Professional Sports and Criminal countermeasures

Il-Won Kang

Information Technology based Convergent Research

Study on Embedding Algorithm and Improving the Diameter of Log-hypercube

Hee-Jin Lee, Won-June Lee

How Social Enterprise Drives the Digital Social Innovation in Korea?

Hayoung Shin

A Study on the Applications of Image Analysis in Conservation Science: Based on the Mexico City Metropolitan Cathedral

Yeongsik Yoo

Image retrieval based on a combination of deep learning and behavior ontology for reducing semantic gap

Seung Lee, Hye-Wuk Jung

A Study on the Application and Current Status of Carbon Nanotube-based Transistor

Geunho Cho

Business based Convergent Research

EMG Pattern Recognition based on Temporal Difference Signal Analysis

Chi-Young Cho
104 A Study on Multiple Intelligence Propensity and Person-Job Fit of Advertisement Creators ............................................................. 1165
Jin-Hee Kim, Chull-Young Lee

105 A Study on the Establishment of Hierarchy Diagram for the Evaluation System of Local Financial Investment Projects ..................................... 1177
Shim Heecheol, Kim Jaehwan

106 A Study on Research Funding for Humanities and Social Sciences Research Projects ........................................................................ 1187
Chang Hoon Yang

107 A Study on the Effect of Potential Plastic Medical Tourists on Intention of Use ................................................................. 1199
Kyungjae, Yoon

108 Career Mobility of Young Men in the Segmented Labor Market ......................................................... 1215
Daechang Lee

109 Empirical Analysis of Efficiency Change, Technical Change and Productivity Change in the Korean Accounting Industry ........................................................................ 1225
Seok-Young Lee

110 The Effect of Work Ability of Makeup Artist on Customer Satisfaction ........................................... 1237
Eun-Ju Lee, Jung-Won Kim

111 A Study on Space Lending Services and Customers' Congruence: Focused on the Comparison between Managers and Consumers ........................................................................ 1253
Lee Il-Han, Han Soo-Jin

112 The Land Use Characteristics and Management Strategies of Commercial Zone in Daegu ................................................................. 1269
Jae-II Jang

113 A Study on the Emotion Commitment Relation of Job Characteristics of Caregivers Service Practician to Organizational Trust .............................................. 1279
Jin Ho Jeon, Kwang Lae Kim

114 A Study on the Effect of the Company Promotion Exhibition's Online Exhibition on the Satisfaction Experience & the Buying intention ................................................ 1289
Seung-Wan Ju, Chae-Kwan Lim
