11 A Study on the Perception of Management of University Gymnasium and Openness to Local Residents ................................................................................................................................. 97

   Ho Yoo

12 Effects of Standard CPR Training on Knowledge, Attitude, Performance and Satisfaction of CPR for Nursing Students .................................................................................................................. 105

   Eun-Young, Choi, Miyoung, Park, Sun-jung Park, Sun-jung Park

13 Personal Information Overload Affects the Perceived Risk and Information Leakage Prevention 115

   Won-Geun So, Ha-Kyun Kim

14 Education Pride and Determinants of Education Service Quality among Korean Trainees: Focusing on Reliability, Confidence, Contents, Communication, Satisfaction .................................................. 125

   Won-Hyun So, Ha-Kyun Kim

15 Trends and Issues of Field Learning in University, Focusing on the Categorization of Field Learning ................................................................................................................................. 135

   Cheol-Woo Park, Young-Min Lee, Dong-Yul Jung

16 A Study on the Applicability to Children and Adults with Developmental Disabilities by Analyzing the Present State of Emotional Freedom Technique (EFT) .............................................................................. 145

   Young Pyo, Kim

17 A meaning of learning on the experiencing home care workers’ emotional labor ........................................ 155

   KyungMi Im

18 Factors Related to the Incidence of Epiphora Among Behavioral Addicts of Information Communication in Chungnam Area ........................................................................................................... 171

   Seong-Ran Lee

19 Space-Efficient Compressed-Column Management for IoT Collection Servers ........................................ 179

   Siwoo Byun

20 Problems and Improvement of Fume Hood Assembly Process of Company C ........................................ 189

   In-Ho Roh, Eun-Hyeon Jo, Dong-Hyung Lee

21 Problems and Improvement of Mold Manufacturing Assembly Process of W Company ........................ 199

   Jung-No LEE, Eun-Hyeon Jo, Dong-Hyung Lee

22 The Influence of Personality, Interpersonal Problems, and Academic Stress on Problem-Solving Ability among Nursing Students ........................................................................................................... 209

   Eun-Yi Yeom
23 Oral health behavior depending on whether the oral health education related subjects course of
dental hygiene students .................................................................................................................. 221
   Su-Bin Lee, Chang-Tae Kim, Jung-Hwa Lee

24 The Analysis of Capital Structure and Intrinsic Value of Publicly Listed Venture Capital
Companies ....................................................................................................................................... 231
   Nam-Gon Kim, Jee-Hyun Kim

25 The Effects of Project-Based Learning on Critical Thinking Disposition, Problem Solving Ability,
Nursing Process Performance for Nursing Students ........................................................................... 243
   Hye-Young Hwang, Yeol-Eo Chun

26 Mediating Effects of Organizational Commitment in Friendship and Job satisfaction of Clinical
Nurses ............................................................................................................................................... 253
   Young Sook Kim

27 Development of School Violence Prevention Program Using Emotional Coaching Dialogue ..... 267
   Ok-hee, Na, Oh-hyun, Oh, Mi-Na, Lee

28 The Effects of The Character Education Activity Through Peer Conflict Resolution in a Physical
Activity on Character Development of Preschooler ....................................................................... 279
   So-Yeon Youn

29 Experimental Study on the Change of Corrosion Characteristics by Metal Materials ........ 291
   Jun-Mo Kang, Kangsun Choi, Jeongbae Kim

30 Experimental Study on Bio-signal Measurement of Angelica-gigas and Bean Sprouts .......... 301
   Jae-Eun Kwak, Dong-Hyun Hwang, Haeun Lim, Jeongbae Kim

31 The Study of Genesis Motif in Arthur Miller’s Plays: Focusing on The Creation of the World and
Other Business ................................................................................................................................. 309
   Jung-Ae Nam

32 Safety awareness and life satisfaction of Female-Headed Householders : Based on Meditation
Effect of Social Support .................................................................................................................... 319
   Kim Eun-Ha

33 The Effect of a Psychoanalysis-Based Group Art Therapy Program on Promotion of Self-Esteem
of Children in Disadvantage ............................................................................................................. 329
   Younshin Jeon, Daekyum, Rho
34 Medical Information Sharing Service Architecture based on Blockchain ........................................ 339
Sung-Hwa Han, Joong-Soo Bang, Sang-Oh Yoo, Gwang-Yong Gim
35 A Study on Tendency of learning a BIM tool of the Students Majoring Architecture .............. 349
Yun-Gil Lee
36 Relational algorithm interpreting symptoms to demographic sign of patient medical history ...... 357
Bee-Sung Kam
37 A Study on the Applicable Architectural Regeneration plan of the Sewing Industrial Complex Based on the Concept of the Void ................................................................. 365
Hye-ju Kang, Donghyeog Choi
38 The Effect of Maladaptive Self-focused Attention on Hypochondriasis Mediated by Difficulties in Emotional Regulation ................................................................................... 375
So-Young Kim, Sela Lim
39 Implementation of R-language-based REST API and Solution for Security Issues .................. 387
DongHoon Kang, Sejong Oh
40 Using Malmquist Analysis to evaluate productivity of relocating Public Institution .............. 395
Ju-Young Kim, Jong-Yi Hong
41 A Qualitative Case Study on Sibling Relationship Experiences of Adolescents Discharged from Child Care Institutions .................................................................................. 405
Shinae Park, Sujin Kang, Okchae Choi
42 Investigating Predictors College Adjustment of Freshmen ......................................................... 415
Jeongmin Lee
43 Nursing College Students and Non-Nursing College Students' Awareness of Bioethics Ethics and Attitude toward Euthanasia .................................................................................... 427
Hyo-Suk Song, So-Hee Lim
44 Derivation of conceptual model for technological problems .................................................. 437
Lim, Mika, Kim, Jinsoo
45 Two Aspects of Remembering the Second Manchu Invasion of Korea .................................. 445
Yeong-cheol Eum
46 An art exhibition needs assessment survey of persons with visual impairment ....................... 457
Yanghee Lee, Sangwon Kim, Munseol Eom,
Sae mi An, Jun Dong Cho
