# Education based Convergent Research

1 Research Trend of Students with Low Vision Shown in Domestic and Foreign Literature .......................................................... 1  
   Jong-Gu Kang  

2 Meta-analysis of learning outcomes and quality of life according to the motivation of adult learners participating in lifelong learning ......................................................... 11  
   Misun-Kwak, Yunhee-Pang, Mijung-Kim, Joowon-Lee  

3 Colaizzi's phenomenological approach to forest Kindergarten teachers' narrative that is suffering and worth .......................................................... 19  
   Hye Hyun Koo  

4 A Comparative Study of South Korea and China's Educational Objectives for the Subject of Science in the Curriculum of Early Childhood Education ......................................................... 29  
   Kyung Chul Kim, XIAODAN JIN  

5 Implications of early childhood education through the current state of research on 'humanities and imagination' .......................................................... 41  
   Kyung-chul Kim, Ah-reum Oh, Hye-jung Park  

6 The relationship analysis among subject-specific interests, self-regulated learning, learning flow and self-efficacy: focused on middle school English education- ............... 51  
   Damsil Kim, Seongwon Lee  

7 Comparative study on perception and requirement of Wee class counselling program -Focused on Parent Recognition- .......................................................... 61  
   Su-Jeong Kim, Mi-Na Lee  

8 Difference of Learning Strategies according to the Level of Self-Efficacy and Goal Setting of College Students .......................................................... 71  
   Ockboon Kim
9 A Study on the Relationship between University Student Participation and Satisfaction

Yong-Min Kim, Dae-Seok Kim

10 An Empirical Study of SNS Language Violence(Expletives, Slang)

Hyun-Gyu Kim, Ha-Kyun Kim

11 An Empirical Study of Youth Language Problem’s Causes(Home, Education, Social and Culture Environment) in SNS

Hyun-Gyu Kim, Ha-Kyun Kim

12 A Qualitative Research on School Dropout Experience of Adolescents Outside School: Focusing on pre-dropout, current dropout, post-dropout

Hyun-Ju Kim, Jae-Yeon Park

13 A Study on the Recognition and Use of Men’s Makeup in the Millennial Generation

Hae-Yeong Park, Min-Shin Kim

14 A Case Study on the Development of the Professor’s Self-Competency Diagnostic Tool

Kum-Taek Seo, Yong-Gae Cho, Sang-Pil Jang, Myeong-Kuk Sung

15 A Study on the awareness for the application of music drama by Teachers of child care center

Jin-Hee Shin, Mun-Koo Kang

16 A Study on the Experiential Writing Education of College Liberal Arts Class

Hee-Eun An

17 Studies on the Current Situations and Management of the Liberal Arts Department

Eunjoo-Joo Oh

18 A Study on the critical method of The Essays of Three-family Village

Tae-Jun Lee

19 The Effect of Character Spacing on Reading Speed of Hangul Sentences

Hye-Won Lee, Ko Eun Lee, Sookhyun Moon, Sun-Kyoung Kim

20 Error Analysis of Articles Uses in English and Effective Teaching Methods

Hee-Jin Lee, Mun-Koo Kang
21 Analysis of the Development of High School Students’ Cognitive Skills Using Concordance Activities based on Data-Driven-Learning ........................................... 223
Young-Bum Lim, Mun-Koo Kang

22 Shakespeare’s Idea of Love Transferred from Poems to Films ........................ 233
Yi-Kyung Cho, Geon-Geun Lee

23 A Study on the Perception of ‘Korean Proverbs’ by Foreign Students ........................ 241
Eun-Hie Chae

24 Exploring the Direction of Coexistence-oriented Early Childhood Education in Sustainable Development Education ................................................................. 251
Hee-Ju Hong, Hye-Hyun Koo

**Machine based Convergent Research**

25 Integer Programming-based Operation Sequencing for Multi-operation on Single Machine ............................................................... 261
Seonyeong Park, Moonsoo Shin

26 Analysis of training performance according to OJT operation method in Korean Apprenticeship System ......................................................... 271
Seung-Hwan Jeon, Cheol-Woo Park, Dong-Yul Jung

27 A buoy capable of attracting fishes with light and frequency and streaming underwater in real-time ......................................................... 279
Jemin Hwang, Jinseo Jeong, Soonuk Seol

**Culture Content based Convergent Research**

28 A Study on church unity: Focusing on W.C.C. ................................................. 289
Mee-Sook Cheong, Jae-Gun Yang

29 Busan Bosu-dong bookstore activation plan based on Rhizome reason … 299
So-Yun Lee, Ha-Nam Jung, Jang-Soon Choi, Hoon Kang

30 The Study of the New Types of Family on Popular Television Drama … 309
Cheol-Han Lee
A Study on Tourism Development Policy for Protection of Cultural Tourism Resources from Natural Disasters

Rack-In Choi, Chong-Ki Jung

Healthcare based Convergent Research

32 Analysis of domestic degree and journal research trends on attachment-related play therapy

Mi-Hwa Kim, Mi-Na Lee

33 Emotional Intelligence and Humanistic Knowledge and Empathic Ability of Nurses

Young Sook Kim

34 Affecting Factors on Depression among Shipyard Workers

Yun-Kyung Kim, Hyun-Nam Go

35 Factors Affecting Medical Information Protection Practice of Nursing Students

Eun-Young Kim, Kyoung-Suk Lim

36 Analysis of the patent trends for natural components related to hair loss

Jungwon Kim, Ahhyun Jo, Jeonghyun Lee

37 A Meta-analysis of the effects of elderly self-integration group counseling

Hyun-Mi Kim, Hyoun-Yong Kwon, Hyun-Min Kim

38 Effect of Nursing Professionalism and Emotional labor of Happiness Index of Clinical nurses

Mun-Hee Nam, Mi-Ryon Lee

39 Application and effectiveness of practical training program for nursing caregiver for improving Oral hygiene status of the elderly in nursing-home

Myung-Sook Park, Jung-Hee Han

40 Influence Communication Ability, Irrational Belief and Self-Esteem on Interpersonal Relationship of Nursing Students

Yeon-Gyung Bak
41 Study of the development and validation of the scale of love .............................. 439
   Jeong-Ae Park, Ju-Won Oh
42 Development and Evaluation of Medication Nursing Education Program based on Smartphone ................................................................. 449
   Jung-Ha Park, Myung-Hee Kim
43 Factors Affecting Nurse’s Health Promoting Behaviours: Focus on Ego-Resilience, Subjective Well-Being ....................................................... 459
   Bark, Jung-Hee, Kim, Hyun-Ju
44 An Empirical Study on the Effects of Drinking Motivation on Drinking Behavior in College Students: Focusing on moderation effects of drinking expectations ........................................................................................................... 471
   Jae-young Park, Jai-woo Oh, Jin-kyu Kang
45 Nurses’ Perceptions on Clinical Career Ladder System and Effects on Nursing Competency ......................................................................................... 483
   Mi-Joon Lee, Byoung-Sun Youn, Mee-Ran Park, Sang-Yi Chung
46 Effects of Video therapy on Pain Response and Intravenous Treatment during Venipuncture for Hospitalized Preschool ........................................... 495
   Sun-Ok Lee
47 Factors Influencing the Screening Behavior of Colorectal Cancer by Middle-Aged Men ..................................................................................................... 507
   Seong-Ran Lee
48 Predictor Factors Related to the Incidence of Gallbladder Cancer in the Area of Middle-Sized City ................................................................................. 515
   Seong-Ran Lee
49 The Effects of a Social support, Self-esteem on Self-care agency among the People with Mental Disabilities .............................................................. 523
   Young-lye Lee, Hyo-Ju Jung
50 Impact of Shock Wave on Nerve Regeneration in Motion Analysis of Affected Side after Nerve Injury ................................................................. 533
   Jung-Ho Lee, Yeong-Deok Choi, Youn-Bum Sung
51 Convergence Relationships among intention of Migration, Condition, Stress, and Social Recognition of Nursing Students ................................................. 541
   Ji Min Lee, Sung Jung Hong
So-Hee Lim, Hyo-Suk Song

53 Factors influencing the attitudes of dementia for University Students .............. 561
Nam Joo Je, Meera Park, Hyun Joo Yang

54 Effects of Sexual Attitude, Value of Children on Consciousness of Biomedical Ethics in Nursing Students ............................................................... 571
Young-Ju Jee, Seung-Kyoung Yang

55 The effects of self-esteem and adaptability to university on career identity among male nursing students ................................................................. 583
Yeonsook Choi, Eunju Lee

56 Cognition on Speech-Language Rehabilitation in Care Workers .................. 595
Ji Sook Kang, Sung Ji Park, Songhee Yang

**Welfare based Convergent Research**

57 Effect of Social Intelligence on Depression in Female Primary Caregivers of Elderly with Dementia ................................................................. 605
Dong-Hyun Kim, Jae-Mo Lee

58 Mediation Effects of Social Capital in the Relationship Between Perceived Social Safety and Life Satisfaction among One-person Households .......... 615
Sun-Mi Kim

59 Factors Related to Leisure Satisfaction of Urban Elderly Using Senior Center and Elderly Welfare Center ............................................................... 629
Eunkyung Kim

60 Meaning of Life Planning for middle-aged women : Utilizing Big Data .... 643
Mi Kyung Moon, Sang-Hee Park

61 Semantic Network Analysis for Young People Life Planning by Using Text Mining ........................................................................................................ 653
Shin-Hye Moon, Sang-Hee Park

62 The Effect of Volunteer Motivation on Volunteer Activity Commitment .... 663
Jong-Yoon Park, Sung-je Cho

- 6 -
63 Analysis of Meaning of Youth Life Planning in Big Data .................................................. 675
   Eun-gyung Yun, Sang-hee Park

64 A Study on the Elderly Leisure Activity in the Community to Improve the Resilience of the Elderly ................................................................. 685
   Mi-Ran Lee

65 The Socio-demographic Characteristicstics and Cognitive Emotion Regulation Strategies in Adolescent ................................................................. 695
   Youhyun Lee, Sohee Jeong

66 Research Trends on Human Rights in Child and Adolescent - Focused on KCI domestic academic journals - ......................................................... 707
   Eun-Ju Lee, Mi-Na Lee

Information Technology based Convergent Research

67 TLC Flash Memory Test Algorithms ................................................................. 717
   Kim Jae Won, Hoon Chang

68 Model-based Web Vulnerability Inspection Using Web Page's Function Analysis and Inspection Priority ......................................................... 727
   Jaeho Lee

69 A study on improving user experience of personal location-sharing applications ................................................................. 737
   Jinseo Jeong, Jemin Hwang, Sookuk Seol

70 Smart device based short-term memory training system for interpretation ................................................................. 747
   Ji Hye Pyo, Donghyeok An

Business based Convergent Research

71 A Stakeholder Analysis in Entrepreneurial Ecosystem .................................................. 757
   Seonmin Kim

72 Blockchain Based Energy Trading Model for Energy Prosumer ........................................ 769
   Soo-gon Kim, You-jin Song
73 Quantitative Analysis about Effects of Token Economy Interventions on the Change of Target Behaviors of Person with Disabilities and Person without Disabilities ................................................. 777
   Young Pyo Kim

74 A study of strategy to the remove and ease TBT for increasing export in GCC6 countries ...................................................................................................................................... 789
   Yong-Jae Kim

75 The Moderating Effect of Assessment Level between Supervisor and Job Satisfaction ........................................................................................................................................ 799
   Jaewon Hong, YoungJae Kim, Seungbae Park

76 Contemporary China–US Relations and the Taiwan Issue: during Donald Trump’s presidency ........................................................................................................................................ 809
   Won-kon Kim

77 The effect of brand quality perceived by consumers and CSR of brand on purchase intention – Focus on pharmaceutical companies ........................................................................................................... 819
   Ji-Su Kim, Hyung Rok Yim

78 Internet Primary Bank Adoption: Perceived Benefit and Risk Perspective ........................................................................................................................................... 829
   Hyo Jung Kim, Jin Myong Lee

79 The Effects of Trust on Small but Certain Happiness and Happiness ................................................. 841
   Yun-Ju Nam, Seung-Kyu Nam

80 Impact of corruption on economic growth of foreign direct investment: Focusing on Sub-Saharan Africa ..................................................................................................................................... 851
   Namin Park, Sukkyun Chung, Hyung Rok Yim

81 A Study on Advertising Strategy of Taekwondo Tourism Using Social Network Service Communications .............................................................................................................. 861
   Tae-Seung Park

82 A Study on Corporate Marketing and Customer Satisfaction using Big Data ......................................................................................................................................................... 871
   Moo-Kyung Seo, Lee-Sang Jung

83 Efficient operation of distributed energy resource for regional energy independence ......................................................................................................................................................... 881
   You-jin Song
84 A Study on the Choice Properties of Affecting purchase of Rice Cake Products · 889
  Keum-Rye Shin, Mee-Sook Cheong
85 A Study on the Market Entry in El Salvador: Focusing on Industrial and Commercial Environment ................................................................. 899
  Yeong-Sik Yoo, Jon-Mo Yoon
86 The Effect of Quality Factors of Accounting Information System on Management Performance: Focusing on Mediating Effect of User Satisfaction - Comparative Study between Korea and China - ................................................................. 909
  Ha-Jin Lee, Zi-Yan Di, Jae-Hak Lim
87 A Study on the Functional Economic Value Perception of Rice Cake Products · 917
  Meesook Cheong, Jeoungtag Choi
88 A Study on IPA Analysis of Start-ups by Government Policy ........................................ 929
  Han-Na, Jo, Myung-Jin Kim
89 Components and Psychological Mechanism of Empathy or Sympathy · 939
  Soon-Hyang Hur, Seung-Kyu Nam
90 An Analysis of Priority on the Selection Factors of Companies by IT Service Types ................................................................. 949
  Jae Jun Huh, Jay In Oh
