Table of Contents

Education based Convergent Research

1 In Search of Alignment of High School Credit System and IB Curriculum ........ 1
   Hyeonsuk Kang, Jieun Lee, Inyeong Yoo

2 A Study of on Perception of Pre-service Early Childhood Teachers on Scientific
   Autobiography Participating in an Early Childhood Science Education Course ........ 11
   Hye-Hyun Koo

3 The Effect of Self-Efficacy and Resilience on Adjustment to School Life in Vocational
   High School Students ...................................................................................................... 23
   kyeongSoon Kwon, JaeChang Lee

4 Quality Assessment of Early Childhood and Care: A Comparative Study between South
   Korea and United States of America(ECERS-3) ................................................................. 37
   Kuyng-chul Kim, Yoo-Jin Han, In-Sun Lee, Seong-Joo Lee, Hyun-Ju Lee, In-Ae Kim

5 A Study on the Recognition of Adjustment to College Life ............................................. 47
   Donghui Kim, KwangHyun Kim, SungBae Kang

6 Analysis of the Effect of the Type of Authentic Materials to Teach Target Language
   Culture in the EFL Classroom ............................................................................................. 57
   Bokyung Murray

7 Development of Linked Program between an Instrumental Practice Curriculum and an
   Extracurriculum for Pre-service Early Childhood Teachers ............................................ 71
   Sun-Hee Kim

8 The Effect of the Scenario based Infection control Education on Awareness and
   Performance of Standard Precautions in Nursing Students ............................................ 85
   Ji-Hyun Kim, Hyo-Suk Song
9 Effects of Internal and External Career Choice Motivation on the Career Attitude Maturity - A Study on Mediating Effect of Ego Resiliency .................................................. 95
Hyeyoung Kim, An-Soon Yun, Jihyun Shim

10 The study of volitional control, emotional regulation on self-regulated learning … 105
Si Eun Min, Myong Hee Yang

11 Effectiveness Analysis of Grammar Parts in English Textbooks for Developing Speaking and Writing Ability ................................................................. 115
Jongmin Park, Mun-Koo Kang

12 Changes in Music Curriculum according to the Fourth Industrial Revolution ………. 125
Jihyun H. Park

13 A Design Study on the Development on Golf-Specialized High Schools - Focused on Yeoju Specialized High School - ……………………………………………… 135
Hoon Park, Hyemi Kim

14 The Mediating Effects of Planned Happenstance Skills on the Relationship between Career Motivation and Career Competencies of University Students ………………… 147
Yun-Hee Pang, Yoon-Jung An

15 A Case Study on the Development of Competency-Based Curriculum Focused on the Key Competencies of University and Department ……………………………. 163
Kum-Taek Seo, Yong-Kwan Yun

16 A Study on the Feasibility of Special Classes Evaluation in General Schools in Three aspects of Curriculum and Class-Evaluation Integration …………………………… 175
Seoyoung Shin, Changun Park

17 The effect of simulation-based education on critical thinking disposition, problem solving skills and nursing process confidence in college nursing students ……… 187
Jun-Hee Ahn, Ji-Young Kim, Eun-Suk Hwang

18 Research on the Effectiveness of Peer Instruction and Students’ Involvement ………. 199
Eunjoo Oh

19 Criticism of the Competency-Based Curriculum and Instruction of University Education in Korea - Focusing on D university - ……………………………………… 209
In-Yeong Yoo, Hyeon-Suk Kang
20 A Study on the Effects of Physical Computing Instruction on Architectural Design Education ................................................................. 217
Yun-Gil Lee

21 Curriculum Framework Exploration for Implementation of Curriculum Alignment .... 225
Jieun Yi, Jinryoung Park

22 A Narrative Inquiry on Special Education Teachers’ Experience of Implementation in Integrated Subjects ................................................... 237
Haeran Lee, Kyoungjin Lee

23 Analysis of Types of Perceptions toward Instructional Media for Young Children among Pre-service Early Childhood Teachers using Q-methodology .................. 247
Hui Young Chun, Seung Hwa Jwa

Li Xiaohui, Changun Park

25 A Study on Learning Effects Using Design Thinking Process ............................. 271
Su-Jeong Han

Machine based Convergent Research

26 Study on Fuel Control Technology for Using Gasoline and LPG Duel Fuel to Improve Engine Performance ......................................................... 287
Sul-Ki Choi, Doo-Sung-Baik

Culture Content based Convergent Research

27 The moderating effects of personality traits in relationship between SNS use and stress – focused on the Facebook adolescent users ........................................ 297
Mei Ying Piao, Eui Jun Jeong

28 Strategies for Onyang-dong Revitalization using the Metonymic Metaphor ......... 307
Sang Geun Park, Sang Jin Lee, Hoon Kang

29 Structural Relationship among Health Concern, Leisure Sports Passion and Psychological Happiness for Simulation Golf Participants ................................. 317
Su-Hwang, Seol, Byoung-Wook, Ahn
30 A Study on the Architectural Characteristics of Rhizome and In-between space for Modernization of Traditional Market ......................................................... 327
Sung Hoon Ahn, Min Seop Kim, Jang Soon Choi, Hoon Kang
31 An Observation Study of the Relationship of between the Urban and Architectural Form and Microclimate ................................................................. 337
Gunwon Lee, Yunnam Jeong, Yoon-Deok Moon
32 The Interest-based Account and Play Community of Vertical SNS – A Focus on Instagram ................................................................. 351
Min-Sun Jo, Hye-Won Han
33 A Policy for revitalizing tourism resource development through local cultural tourism contents – Focusing on the Song Monuments in Pusan Area – ................................. 365
Rack-In Choi

Healthcare based Convergent Research
34 An Experimental Study to Reveal Skin Temperature’s Variation with Pitching Motion of Baseball ................................................................. 375
Jae-Eun Kwak, Dong-Hyun Hwang, Kang-Seon Choi, Jeongbae Kim
35 Effects of Self-esteem and interpersonal Relationship on Self-esteem : The Case of Nursing College Freshman ................................................................. 385
Young-Eun Kwon, In-Hee Cho, Eun-A Choi
36 The interpersonal skills of nursing college students, self-esteem, and overuse of smart phones ................................................................. 397
Jeong-Eun, Choi, Gum-Jung, Kim
37 A Study on Emergency Situation Management for Cardiac Arrest of Seafarers in Korea .................................................................................. 409
Min-Kyeong Kim, Jae-Hee Kim
38 The Effect of Clinical Competence and Communication Skill of Nursing Students on Clinical Practice Stress ................................................................. 421
Kim, Soon Hee, Jee, Youngju
39 Oral health awareness and practice according to interest of oral health of some workers ................................................................. 433
Ye-Hwang Kim, Jung-Hwa Lee

40 A Study on the Influencing Factors of Parents and Community on Subsequent Childbirth Planning .................................................. 443
Eunkyung Kim, Shinae Park

41 The effect of nurses’ preparation for old age engaged in geriatric hospital on patient directivity through organization immersion ........................................ 455
Chang-Tae Kim, Chul-Sun Lee, Jeong-won Lee

42 Effect of Self leadership and Self Esteem on Major Satisfaction of Nursing College Students .......................................................... 465
Mun-Hee Nam, Mi-Ryon Lee

43 Knowledge of cervical cancer, vaccination status of human papilloma virus in university students ..................................................... 479
Ji-Young Park, Hye-Ryeong Kim, Seok-Min Lee, So-Yeon Lee, Yeong-Hyun Lee, Yoon-A Lee, Jae-Young Jang, Gi-Chang Hong, Hyeon-Cheol Jeong

44 The Way One, from the Viewpoint of Philosophical Counseling, Considers Diseases on the Basis of Gadamer’s Hermeneutics ............................... 491
Jin-Hee Park

45 The effect of social network, self-esteem and communication ability on college life adjustment of freshman at nursing university .................. 505
Sul Young Bang, Hyun Joo Yang, Meera Park

46 Relationship of Personality Development Level, Self-Readership and Career Preparation Behavior: A Case of Nursing Students ................. 515
Kyungeui Bae

47 An Analysis of the Domestic Experimental Research on Asperger’s Disorder Children ........................................................................... 527
Seok-Jin Seo

48 Adaptation Process of Male Students in the Department of Nursing ............. 537
Jun-Hee Ahn
49 Factors Related to the Incidence of Perforated Gastric Ulcer and Daily Habits of Adults in the Central Region

Seong-Ran Lee

50 Experience of Fundamental Nursing Practice in Nursing Students: Focusing on Medication Nursing

Hyo-Ju Jung

51 Perceptions of The Art of Nursing That Nursing Students With Experience of Clinical Practice

Yeon-ja Kim, Kae-Hwa Jo, Mi-hwan Chin

52 Case study of Color puncture therapy

Jae-Yoon Choi

53 Factors Affecting Satisfaction for Clinical Practice among Nursing Students

SeungHee Han

Welfare based Convergent Research

54 The Influence of Organizational Conflicts on Organizational Commitment and Turnover Intention in Construction Engineering Companies in Chungcheong Province

Young-Hun Kim, Soo-Yong Park, Dong-Hyung Lee

55 Effects of Optimism and Trust on the Meaning and Happiness of life

Eun-Hee Kim, Seung-Kyu Nam

56 Exposed to domestic violence A Case Study of Sandtray Therapy for emotional stability of the youth

Jae-Ok Kim, Mi-Na Lee

57 The effect of the residential environment such as the walking environment of the elderly and the accessibility of the neighborhood living facilities to the residential satisfaction and the mediation effects of the senior center

Jin-soo, Kim

58 The Development and Effectiveness of Senior Brain Block Program(S-BBP) for Elderly in Day Care Service

Seonil Park, EunAh Noh
59 A Study on the Effect of Senior Brain Block Program (S-BBP) on Instrumental Activities of Daily Living, Life-Satisfaction and Quality of Life of Elderly ........................................ 657
   Seonil Park, EunAh Noh

60 Factors Affecting on the Self-Identity of Children of South Korean-resident Chinese Migrant Workers - Based on Individual factors and Environmental factors ........................................ 665
   Piao, Xiuying, Kim, Soonyu

61 A Study of a Mother’s Experience of Leaving Her Children to a Child Care Institution ......................................................................................................................................................... 675
   Shinae Park, Okchai Choi

62 Analysis of effectiveness of Program evaluation area of welfare workers in Community Child Center : Focused on pre-post examination ........................................ 687
   Hyun-Suk, Park

63 Minority Disabled’s Empowerment ................................................................................................................................. 697
   Hyun-Suk, Park, Hee-taek Yang

64 A Study on Usage Behaviors and Place Attachment of Urban SSamji Park as a Neighborhood Space - Focused on Hanpyeong Park and Hanpyeom Park located in Capital Area- ........................................................................................................................................... 707
   Hoon Park

65 Exploring the Meaning of Andragogy in Lifelong Learning from a Gender Perspective .......................................................................................................................................................................................... 723
   Heejin Park, Jiyoung Jeong

66 Relationship between ego-resilience and job stress according to personality characteristics of insurance financial planners ............................................................................................................. 737
   Sun-Rye So, Mi-Na Lee

67 The Effects of Mother–child Group Art Therapy Using Play on Parenting Behavior and Attachment Stability of Female Married Immigrants ........................................ 747
   Young Me Shin, Mi-Sun Lee

68 The Effects of Physical Activities Based on the Element of Happiness on Young Children’s happiness .................................................................................................................................................... 763
   Soyeon Youn
69 Determinants of poverty escape and poverty entry of Korean elderly .................. 775
Sang-Jin Lee

70 A Study on the Change of Poverty Related Characteristics of Korean Elderly ..... 785
Sang-Jin Lee, Yun-Jeong Kim

71 The Influence of the Emotional-Clarity and Social Support on Mental Health in employees: The Mediating Effect of Resilience ........................................ 797
Hyun-Woo Lee, Hye-Yeon Kim, Bon-Ho Koo

72 The Influence of Family of Origin Health on Marital Satisfaction Perceived by Dual Income Family : Mediating Effect of Family Health ......................................... 807
Jun-Ho Lim, Min-Jung Kim

73 Analysis of Difference in the Recognition of Geometric Psychological Testing According to the counsellor’ Experience and Primary Attributes ............................ 817
Da Hye Jeong, Myunghee Moon, Hee Sang Yoon, Seunghoe Choi

74 An Association analysis between the first temperament and 6 types of the Geometric Psychology ................................................................. 827
Seung Hoe Choi, Hee Sang Yoon, Da Hye Jeong

75 The Influence of Functional Characteristics of Social Network of Mother with Young Children on Parental Intelligence, and Daily Stress ........................................ 835
Yujin Jung, Yuyeong Park

76 Status and Development Direction of In-Home Elderly Welfare .................. 845
Young ok Choi

Business based Convergent Research

77 Effects of Consumer Role Awareness On Online boycott Behavior Intention: Moderating effect of Market Maven Tendency ........................................ 855
Eun-Kim, Seong-Yeon Park

78 New Governance Proposal in Urban Regeneration Project .......................... 869
Jaehwan Kim

79 What You See May Be Different from What It Is ......................................... 879
Hoeyeol Kim, Minsu Kim, Taewook Ryu, Sung-Hoon Park
80 Exporting and IPR Creation Use of Firms ........................................ 891
  Sung-Ho Rho

81 The Impact of Women's Startup Environment on the Economic Growth in the Arab Region: Based on the moderating effect of ICT ........................................ 901
  Namin Park, Hyung Rok Yimk

82 Moderating Effect Analysis of Interactional Justice on Relation of Distributive Justice and Procedural Justice to Job Satisfaction and Organizational Commitment ............. 911
  Mi-Hyun Bang

83 Problems and Improvements in Development of Customized Laboratory Safety Equipment .......................................................................................................................... 925
  Ji-Won Seo, Eun-Hyeon Jo, Dong-Hyung Lee

84 A Positive Psychological Perspective Approach: The Effect of Positive Emotion and Character Strength on Organizational Commitment and Job Satisfaction .......... 937
  Moonshik Woo, Beetna Choi, Hoechang Yang

85 Excess Dividend and Tax Avoidance – Focusing on Income Tax and Gift Tax Case ........................................................................................................................................... 953
  Jae-Kwon Yoo

86 A Study on the Economic Trade Status and Trade Agreement in Malaysia .......... 961
  Jon-Mo Yoon

87 Relationship Among Employee Turnover, Personnel Costs, Revenue And Profit .... 971
  Seok-Young Lee

88 A Study on the Brand Expandability of No Brand: An Exploration in Consumers Perspective ............................................................................................................... 983
  Lee Hun Ji, Cho Kyeong Eun, Choi Hye Kyong

89 A Study on the Improvement of Overseas Real Estate Development Business A Domestic Construction Company ......................................................... 993
  Seung-Won Ju, Yeon-Su Park

90 A Study on Revitalization of Sales through Difference of Perceptions of Mobile Social Commerce Users .......................................................................................................... 1005
  Beetna Choi, Hoechang Yang
