### Table of Contents

#### Education based Convergent Research

1. Analysis of Research Trends on Maladjusted Children in Korea .......................... 1  
   In-Ae Kim, Park-hye Jung

2. Mediating Effects of Teacher Efficacy and Job Stress on the Relationship between Infant Teachers’ Communication Competence and Turnover Intention .................. 11  
   Jung-Hee Kim, Suk-Young Cho

3. Analysis of Cooperative Teachers’ Feedback Contents Provided to Student Teachers in Kindergarten ................................................................. 25  
   Kim Hye Yoon

4. Sympathetic Communication Model and Involvement level ........................................ 35  
   Yun-Ju Nam, Seung-Kyu Nam

5. (A) Study on Correlation Between Teenager’s Consciousness of Telecommunication Ethics and Sunfull Activity ............................................................... 45  
   Byoungchul Min, Kyungsook Oh

6. Exploratory Research on the Design and Utilization of Itinerant Classroom in University ........................................................................................................... 55  
   Cheol-Woo Park, Young-Min Lee

7. A Case Study on Components and Formation of Expertise in Activists for Youth .... 65  
   Haejeong Park, Kwangsoo Kim

8. Relationships between Self-efficacy, Humor sense, Emotional regulation strategies, College adjustment of Nursing Students ......................................................... 75  
   Eun Kyung Byun, Eun Seon An

9. A Study on the Obsession Reasons for University Students Smart Phone Obsessions ................................................................. 85  
   Seok-Jin Seo
10 The Current Status and Issues of the Village Education Community .......................... 95
  Seoyoung Shin, Changun Park
11 Effects of Brain Education Based Creativity Development program on Creative Ability and Creative Personality ............................................................. 105
  Jae-Han Shin, Yoon-lee Choi, Haw-soo Lim
12 Development and Effects of Dramatic Play Program Using Picture book .............. 121
  Daesoon An, Jinkyeong Ahn, Haejeong Park
13 The Effect of Bible Study and Prayer Life of a Seminarian on the Relationship between Happiness Value and Pastoral Identity ........................................... 135
  Byung-Duck An
14 Common Vocal Faults and Their Corrections with Emphasis on Hyperfunctional and Hypofunctional Singing ................................................................. 151
  Eunsil Eom, Mihae Ryu
15 A Study on Orientations & Properties of 2015 Revised English Education Curriculum in Korea ................................................................. 161
  Seung-Ho Oh, Mun-Koo Kang
16 A Structural Analysis among Variables Affecting on Subjective Well Being of Pre-service Early Childhood Education Teachers(Focusing on Teaching Aptitude, Teacher Efficacy, and Educational Beliefs) ......................................................... 171
  Yeon Joo Oh, Jung Soo, Lee
17 Ethics and Attitude to the Animals: Philosophical Perspectives .......................... 187
  Kyung-Joo Lee, Hojong Kwon, Dae-Yul Jeong
18 Adolescents’ Gaming Disorder Study and Parenting Attitude : Based on the Escape Theory ................................................................. 199
  Daeyoung Lee, Euijun Jeoung
19 A Study on Predictive Factors of Wishing to Work in Old Age of the Middle and Old Aged .................................................................................. 209
  Soo-Jeong Lee, Yun-Jeong Kim
20 A Study on Vocational Education Needs of the Middle and Old Aged Koreans: For the Middle and Old Aged Who Need a Job After Retirement .................. 219
  Soojeong Lee, Yunjeong Kim, Minjeong Kim
21 The Influence of Emotional Intelligence on Self-Determination and Learning Flow
............................................................................................................................................. 229
Sook-Jeong Lee, Hyeyoung Kim

22 Research Trend of ‘Teacher Educators’ in Aboard by Using Text Mining and Semantic
Network Analysis .......................................................................................................................... 241
Li Xiaohui, Changun Park

23 A Study on the Enhancement of MOOC Service by Exploring Blockchain Technology
................................................................................................................................................ 255
Heejeong Jasmine Lee

24 Place Discourse of Koreans in Japan: Min Jin Lee’s Pachinko ........................................... 271
Jin-Hee Yim

25 Korean Culture Education and Teaching Design study in the dialogue of the film
‘KookJea Market(ode to my father)’ ............................................................................................ 281
In-Suk Jung, Bong-Soon Park

26 A Study of the Effectiveness of Safety Education Program for Young Children Using
Safety Songs .................................................................................................................................. 295
Sookyung Joe, Chinkyeong Ahn, Younkyoung Ahn

27 A Study of the Vietnamese Education since Doi Moi Policy .............................................. 307
Byungok Choi

28 Effects of Action Learning-Based Academic Self-Efficacy on Problem-Solving Ability,
Interpersonal Relationships, and Problem-Solving Attitude of Adult Learners ................. 317
Su-Jeong Han

29 The Effect of the Teaching Ethics of the Pre-service Child Care Teachers on their
Happiness ..................................................................................................................................... 331
Hye-Kyung, Kim, Hye-Young, Kim

Culture Content based Convergent Research

30 A Study on the Metaphorical Expression in the Works of Zaha Hadid .......................... 339
Jin Geun Kim, Jae Won Jeon, Jang Soon Choi, Hoon Kang

- 3 -
A Study on Cross-cultural Awareness of Dating Customs between Korea and English-speaking Countries: With Reference to the Movie Prime ........................................... 349
Jong-seok Ok

Computer Art as a Discursive Object ................................................................. 365
Shan Lim

Healthcare based Convergent Research

A Study on Professional Self-Concept, Clinical Practice Satisfaction, Clinical Practice Stress, Clinical Performance Ability of Nursing College Students after Women Health Nursing Clinical Practice .......................................................... 373
Yeun-Mi Kim, Jum-Mi Park, Song-Yi Yoon

The Relationships among Ego-resilience, Critical Thinking Disposition and Compassion Fatigue of Undergraduate Nursing Students with Clinical Practice .......................... 387
Yeongah Kim, Kyung Sook Kim

Effect of Computer-Based Rhythm and Timing Training on Memory Function of Patients with Vascular Mild Cognitive Impairment .................................................. 401
Yohan Kim, Jaehun Jung

Effects on Health and Medical Related Law Education Study of Nursing College Students ........................................................................................................ 413
Mi-Young Moon, Hyo-Suk Song

Effects of Simsang(imaginary-oriented)-Poetry Therapy Program on the Mental Health of the Elderly ................................................................. 423
Bak Jeong-hye, Jo Hyun-mi

Effect of Horticultural Activity Program for Married Female Workers in Small Sized Enterprises ................................................................. 433
Hyunjung Park

The Effects of Mental Health on the Quality of Life through Health Behavior -Utilize data from the National Health and Nutrition Survey for 2016 ........................................ 443
Hyeyoung Seo, Kyoungho Choi

Professional Self-concept and Major Satisfaction among Nursing students: The Mediating Effect of Academic Self-efficacy .................................................. 455
Kyung-Mi Yang
41 A Study on the Influencing Factors of Parents and Community on Subsequent Childbirth Planning

Kyoung-Sook Lee, Kyung-Hee Lee

42 Relationship between oral health and psychological factors of senior citizens

Eun-Suk Jeon, So-Yun Heo, Hyo-Jin Ko

43 Factors Affecting the Folk Therapy of Degenerative Knee Arthritis Patients in Urban Areas

Seong-Ran Lee

44 Effects of Self-Esteem and Family Function on Health Promotion Behaviors in Middle-aged

Inhee Cho, Seenhee Ko

45 Factors Affecting Physical Activity of Nursing College Students: A university

Young-Ju Jee, Kyoung-Nam Kim

46 Effects of Problem Drinking among Korean Adolescents: using the 2017 Youth Risk Behavior Web-based Survey data

Young-Ju Jee, Seung-kyoung Yang

47 Effecting Factors Clinical Competency of Nursing Students’

SeungHee Han

48 Influencing Factors on Premenstrual Syndrome in Adolescent Girls

Eun Suk Hwang, Jeong Hee Kang

Welfare based Convergent Research

49 A Systematic Review on Reminiscence Therapy for the Elderly: Application of Evidence Based Practice

Sun-Mi Kim

50 The Mediating Effort of Vacational Consciousness on the Relationship between Job Stress and Turnover Intention in Long-Term Care Worker

Sun-Hee Kim

51 The Relationship between Satisfaction with Services and Psychological Well-Being of Children at Community Child Centers

Yeon-Seo Kim, Byeong-il Rho

- 5 -
52 The Influence of Job Stress and Social Support on Self-Esteem of Employees of Welfare Institutions ................................................................. 587
   Daekyum Rho, Jaechang, Lee

53 The Effect of Ecosystem Factors on the Burnout of Employees Working at Welfare Centers for the Disabled ................................................................. 597
   Byeongil Rho, Suik Yeon Youn

54 A study on the causes and perceptions of domestic violence ............................................................................................................................ 611
   Hyun-Suk, Park

55 The Effect of Preparation for family caregivers of people with dementia on their Happiness -Mediated Effect of Self-efficacy- .................................................................................. 621
   So-Jeong Shin, Jung-Hwan Chun

56 Effects of Brain Education-based Simsung Training on Stress Response and Interpersonal Problems in Adults ........................................................................ 637
   Ju-Won Oh, Nah-Ok Kim

57 The effects of sales businessman’s stress on turnover intention : mediating effect of positive psychological capital ........................................................... 651
   Eun-kyung You

58 Meaning of donation culture and talent donation: Big data utilization study ......... 661
   Mi-Na Lee, Dong-Il Kim

59 Happiness and Well-being Meaning Words and Big Data Utilization ................. 669
   Mi-Na Lee, Suk-Kyoung Ryu

60 A Study on the Relationship between Motivation for Participation in Education and Self-Efficacy and Life Satisfaction ............................................................................. 677
   Jongun Lee, Maanse Hoe

61 A Study on the Korea Life adaptation Learning Experience of the Multicultural Family in Korea ................................................................................................. 687
   Hyung-Taek Rim, Dong-Il Kim

62 A Study on Job Satisfaction by Enneagram Personality Type of Excellent Workers .................................................................................................................. 697
   Mee-Sook Cheong, Jong-Un Baek

- 6 -
63 Self-esteem and School Life Satisfaction Affect the Stress of College Student ........ 707
Yeo-joo Jung

64 A Study on the Conflict Factors around the Applicants in Yemen Refugees in Jeju
Area ........................................................................................................................................ 715
Ji-Won Jung, Kibum Nam

65 A Study on the Relationship between Perceived Stress and Suicide Behavior of College
Students .................................................................................................................................. 725
Jin, Young Hwa, Jang, Yong Eun

66 A Study on Moral Injury of Gwangju Democracy Movement ........................................... 735
Sungjoo Choi, Myungjin Hwang

67 Effects of Hope and Sympathetic Talking on Life Satisfaction and Happiness ........ 749
Jung-Hee Choi, Seung-Kyu Nam

**Safety and Security based Convergent Research**

68 Study on the Method and Case of Traffic Measures in Special Events ...................... 759
Jaemoo Seo, Youngwoo Lee

69 A Deep Learning Based Meaning Transfer Method for Improving Understanding of
Japanese Disaster Evacuation Signboard for Korean Tourist ........................................... 771
Hyun-Jung Lee, Jang Woon Baek

**Information Technology based Convergent Research**

70 Reviewing connectionism as a theory of artificial intelligence: how connectionism
causally explains systematicity .............................................................................. 783
Joonsung Kim

71 Performance Evaluation of LSTM Network through Supply Chain Tier Prediction
............................................................................................................................................... 791
KyoungJong Park

72 Sensitivity Analysis of Environmental Noise by Measuring Noise Characteristics of Air
Purifier .................................................................................................................................... 801
Park, Homg-Ki, Kim, Hyun-Kab, Kim, Hie-Sik
73 AccountEOS : Account Management Tool for EOS Blockchain Applications .......... 813
    Hyun-Min Eom, Kwang-Ho Kim, Jae-Hwan Jin, Hyeong-Seo Koo, Myung-Joon Lee
74 Exploring The Three Dimensional Educational Program Development Model Using Design
    Thinking ........................................................................................................................................... 823
    Ok-Han Yoon
75 Growth Patterns of Pure NbTiO2 Thin Films and Re-deposited NbTiO2 Thin Films in
    Oxygen Atmosphere ...................................................................................................................... 835
    Jin Jeong
76 Collaborative Workspaces for IoT Smart Agents Based on the Ethereum Blockchain  
    ...................................................................................................................................................... 845
    Jae-Hwan Jin, Hyun-Min Eom, Myung-Joon Lee
77 A Study on the Adaptive Test Evaluation for the Weapons System ...................... 855
    Gyuok Choi, Jaeun Song, Youngmin Yoo

Business based Convergent Research

78 The Effect of Experiential Values of Tourism on Behavior Intention: Focused on the
    Mediating Role of Destination Attachment and Destination Trust - An Example of Chinese
    Travelers to Korea - ...................................................................................................................... 863
    Min Jung Kang, Ki Beom Kim
79 A Study on the Effect of Entrepreneurship Education on the Satisfaction of Entrepreneurship
    focusing on the mediating effects of opportunistic entrepreneurship in Korea and China ........ 879
    Jaehyun Kim, Jungmin Nam
80 A Study on the Applicability of Form-Based Codes for Urban Regeneration Project  
    ...................................................................................................................................................... 891
    Jaehwan Kim
81 Proposal of Research Methodology on Avoiding, Eliminating and Mitigating the Technology
    Barrier to Trade(TBT) of SMEs in Korea ....................................................................................... 903
    Hee-Sung Kim, Hoe-Chang Yang, Young-Jae Kim
82 A Study on Representative industries and Trade Policy in Thailand ......................... 915
    Jon-Mo Yoon
Seok-Dong Lee, Hoe-Chang Yang

84 Analysis of Determinants of Firms Disclosed for Corporate Social Responsibility .................................................................................................................. 935
Seok-Young Lee

85 Effects of Chinese Consumers’ Animosity on Country Image, Purchase Intention and Purchase Satisfaction of Korean Cosmetics .................................................................................................................. 947
Se-hee-Lee, Jiang Yinuo, Eun-young Choi

86 The Study on the Establishment of Local Sports Organizations Ethical Management System for the Sustainability of Sports Industry .................................................................................................................. 967
Changwon Lee, Cheolyoung Choi

87 The effect of advertising appeal type on Chinese college students’ attitude toward advertising message – Exploring the moderation effect of brand type – ........................................... 979
Chang Man Ren, Min Jung Kang

88 A Study on Factors of Intention of Startups Creation –Focused on Mediating Effect of Personal Characteristics and Moderating Effect of Social Support by Entrepreneurship– .................................................................................................................. 993
Yu-Jin Chang, Byung-Hee Lee

89 A Study on the Influence of Chinese New Generational Work Values on Turnover Intention and the Moderating Effect of Job Satisfaction .................................................. 1013
Cong-Cong Hao, Seung-Wan Ju

90 Maker activation and success factors analysis through Maker case and perception survey .................................................................................................................................................. 1025
Haeyoung Hong, Jungmin Nam
